Human Anatomy and Physiology Preceptorship
PSIO 201 and PSIO 202 Labs
Application for Spring 2021

Obtain 2 units of credit in PSIO 391-001 or PSIO 391-002 for assisting in one online lab section
Eligibility requirements: final grade of A or B in 201 and 202; cumulative GPA of 3.00

Name: ____________________________________________ Year: So Jr Sr
Major: ____________________________________________ Date: ______________
Address: __________________________________________ Phone: ______________
E-mail: ____________________________________________ SID#: __________________

• Please list anatomy/physiology courses taken [PSIO 201/202 or equivalent course(s)], including semester/year completed and final grades: __________________________________________________________

• Briefly explain why you are interested in this experience (please type):

• Which course do you prefer to preceptor? Please circle one.

PSIO 201    PSIO 202    No preference    Either but prefer 201    Either but prefer 202

• See the "Schedule of Classes" to review the time/day of the lab sections for PSIO 201 and PSIO 202. List below your first through third choices of the specific lab number and letter (i.e. 003A) for which you would be available to assist.

PSIO 391 – 2 units
Human Anatomy and Physiology Preceptorship
PSIO 201 and PSIO 202 Labs

Preceptorship Instructors:
Allyson Roof, Ph.D. (PSIO 201)
Office: Gittings 117
Phone: 621-4803
Email: aroof@arizona.edu

Hilary Lease, Ph.D. (PSIO 202)
Office: Gittings 114
Phone: 621-9775
Email: hlease@arizona.edu

Student responsibilities:
1. Attend one weekly live online lab section. Assist with breakout room discussions and answer questions.
2. Attend mandatory weekly preceptor meetings. Preceptors may miss one meeting per semester without penalty but are responsible for obtaining the information presented at the meeting.
   PSIO 201 meetings will be held on Fridays from 12:00 p.m. – 12:50 p.m via Zoom
   PSIO 202 meetings will be held on Fridays from 12:00 p.m. – 12:50 p.m via Zoom
3. Complete readings and modules in advance of each class meeting.
4. Lead small group activities or discussion to emphasize difficult concepts in anatomy and physiology.
5. Teach small portions of the lab using the white board or Power Point.
6. Help the teaching assistant with online dissections.
7. Create at least one review game per semester.
8. Hold office hours before each exam.

Required Materials:

Grading:
Grades will be assigned based on attendance and preparedness for lab and meetings. The following grades are possible: S (superior), P (pass), F (fail). The teaching assistants and the course instructors will assign grades. A ‘superior’ (S) grade will only be assigned to preceptors that exceed expectations during lab sessions and preceptor meetings. Preceptors that meet expectations will earn a ‘pass’ (P) and those that do not meet expectations will receive a grade of ‘fail’ (F).
