Human Anatomy and Physiology Preceptorship
PSIO 201 and PSIO 202 Labs
Application for Fall 2022

Obtain 2 units of credit in PSIO 391-001 or PSIO 391-002 for assisting in one in-person lab section
Eligibility requirements: final grade of A or B in 201 and 202; cumulative GPA of 3.00

Name: ___________________________ Year: So Jr Sr
Major: ___________________________ Date: ______________
Address: __________________________ Phone: __________________
E-mail: ___________________________ SID#: __________________

• Please list anatomy/physiology courses taken [PSIO 201/202 or equivalent course(s)], including semester/year completed and final grades: ____________________________

• Briefly explain why you are interested in this experience (please type):

• Which course do you prefer to preceptor? Please circle one.

   PSIO 201   PSIO 202   No preference   Either but prefer 201   Either but prefer 202

• See the "Schedule of Classes" to review the time/day of the lab sections for PSIO 201 and PSIO 202 (all labs are fully in-person). List below your first through third choices of the specific lab number and letter (i.e. 003A) for which you would be available to assist.

   PSIO 201 Lab Section   PSIO 202 Lab Section

   First Choice: ___________________________   ___________________________
   Second Choice: ___________________________   ___________________________
   Third Choice: ___________________________   ___________________________

Submit form to Bertha Corrales (bertha@arizona.edu)
Human Anatomy and Physiology Preceptorship  
PSIO 201 and PSIO 202 Labs  
Application for Fall 2022

Preceptorship Instructors:

Allyson Roof, Ph.D. (PSIO 201)  
Office: Gittings 117  
Phone: 621-4803  
Email: aroof@arizona.edu

Hilary Lease, Ph.D. (PSIO 202)  
Office: Gittings 114  
Phone: 621-9775  
Email: hlease@arizona.edu

Student responsibilities:

1. Attend one weekly lab section.
2. Assist with small group lab exercises and answer questions.
3. Attend mandatory weekly preceptor meetings. Preceptors may miss one meeting per semester without penalty but are still responsible for obtaining the information presented at the meeting.
   
   PSIO 201 meetings will be held on 
   Fridays from 12:00 pm – 12:50 pm in Koffler 560
   PSIO 202 meetings will be held on 
   Fridays from 12:00 pm – 12:50 pm in Koffler 510

4. Complete readings and modules in advance of each class meeting.
5. Lead small group activities or discussion to emphasize difficult concepts in anatomy and physiology.
6. Teach small portions of the lab using the white board or Power Point.
7. Assist the teaching assistant and students with dissections.
8. Create at least one review game per semester.
9. Hold office hours before each exam.
10. Assist the teaching assistant with proctoring quizzes, practicals, and taking attendance.

Grading:

Grades will be assigned based on attendance and preparedness for lab and meetings. The following grades are possible: S (superior), P (pass), F (fail). The teaching assistants and the course instructors will assign grades. A ‘superior’ (S) grade will only be assigned to preceptors that exceed expectations during lab sessions and preceptor meetings. Preceptors that meet expectations will earn a ‘pass’ (P) and those that do not meet expectations or that miss two or more meetings will receive a grade of ‘fail’ (F).
